

HEDGEHOGS

HIBERNATION

FOREST SCHOOL

Weekly update. October.

In Forest school this week we have been learning all about hedgehogs; we spoke about them hibernating and the different things they eat. We then read the story 'It was a cold dark night'. The children all went on a hunt around the garden and collected lots of leaves; the children spoke about how all the leaves were different colours and why. We then used the leaves as the hedgehog's spikes and glued them onto the body to

create our very own hedgehog pictures.
