

# Helpston Playhouse Newsletter.

October Issue 2023.

This term has been full of experiments, baking, slime and loads more. The children are filling a questionnaire for us to find out what they like, don't like and if there are things they would like to do. The Milkshake factory has been very popular with Oreo, Butter beer, smarties and loads more.

## 22<sup>nd</sup> November Sublime science

With your amazing fundraising this year we are able to do an extra fun activity: 'Sublime Science' is a hands-on session with slime making, magic tricks and spectacular experiments. The children will have a hands-on experience doing experiments and making slime and much more.

### Next terms activities.

Monday - Baking

Tuesday - Gaming

Wednesday - Milkshake and smoothie making

Thursday - Arts, craft, and gaming.

Friday- Movie Night

### John Clare Halloween disco!!!!

If your child is attending the Halloween disco it is essential, you email in to let us know. If we do not receive consent your child will be unable to attend.
