November/December Issue 2023

November

The children had been busy carving pumpkins in their first week back. They had also been having fun making explosions and potions. For bonfire night we had a fire and the children made s'mores and enjoyed some hot chocolate.

We celebrated Diwali – the festival of lights. The children made diya lamps, coconut sweets and they also did some Diwali dancing.

For Children in Need we made some Pudsey biscuits for the children to decorate with icing and sweets.

December

The children have been really busy making lots of Christmas crafts. They have been painting and decorating wooden Christmas trees, making salt dough decorations to hang on the tree, and colouring in lots of Christmas pictures. In our last week the children will be making mini houses to decorate using biscuits and sweets, making flower arrangements on the 19th and having lots of fun, games and dancing at our Christmas Party on the last day.
